Line Pipe Manufacturers Meeting (Closed) – Concorde Room:

The Line Pipe Manufacturers Closed Meeting will commence at 1:15 pm after completion of the General Session and will have a catered box lunch. Only line pipe manufacturers may attend. The meeting will continue until 5:00 pm if required (or will end earlier if all business has been addressed). The topics to address shall include appointing a coordinator for the group, determining the structure of the group and its objectives, addressing current issues of interest, determining the length and frequency of future meetings, and other organizational matters. This format for the line pipe manufacturers has been requested by the members of this industry within NAPCA and we hope to have full attendance. If you have issues of interest to address or suggestions that you desire to provide ahead of time please forward them to me at mchastain@gardere.com.
